Funding Application Form (Research, Outreach, or Special Projects)

Funding Criteria

Proposals submitted to PCSPF should aim to:

1. Support the mission of the PCSPF.
2. Advance and disseminate prosthodontic knowledge through patient care, public health improvement, and support for research and education in Prosthodontics.
3. Recognize excellence in the advancement of prosthetic dentistry.

Funding Priorities

1. Advanced Education in Prosthodontics students
2. Outreach initiatives
3. Research contributing to the advancement of the specialty and discipline of prosthodontics
4. Recognition of exceptional scholarly contributions
5. Special projects aligned with PCSPF goals

Funding Limits and Limitations

1. Awards may be granted to support activities aligned with the criteria above.
2. Grants will **not** be provided for travel, lodging, audiovisual requirements, social events, or registration fees.

Acknowledgement

The Pacific Coast Society for Prosthodontics Foundation must be acknowledged in any publication or presentation resulting from the funded project.
